

Allotments

Would you like to try your hand at working an allotment? Being out in the open air, working with the land and exercising is good for your mental and physical health, not to mention the satisfaction you get from eating something you have grown yourself. Learning about different varieties of fruit and vegetables and how to grow them is a great skill to have as an adult, but it's also a wonderful way of helping children to understand where our food comes from too.

We currently have plots available at our Tickford Street, London Road, Willen Road and Railway Meadow sites. If you are interested in taking on an allotment plot and would like more information please contact Sharon Bull on 01908 618756. Please also call if you would like to join our waiting list for a plot at Lakes Lane.
